Program Map Disclaimer:

This program map illustrates appropriate coursework for completing a degree within four years, provided that course grades allow for earned credit. Please consult with your advisor to determine when courses can be switched out with others and taken in a different semester or sequence than illustrated since not all courses are taught every semester. A Freshman Learning Community (FRLC 1116) or a First-Year Seminar (FYRS 1105) is required of all students entering with fewer than 30 hours of transferred credit, so please talk to your advisor about this requirement. These maps are for illustrative purposes only and do not constitute a legal contract on the part of CSU since degree requirements or course offerings could change. As always, check with your advisor.
