Reflect on your learning

Self assessments are a series of questions, similar to quizzes, that provide the opportunity to reflect on your learning and course material comprehension. Responses to self assessments are not graded; they are meant to help your instructor evaluate learner learning and their course material on an informal basis.

Complete a self assessment

1. From the navbar, click **Assessment** group links and then click  **Self Assessments**.
2. On the **Self Assessment List** page, click on the self assessment you want to take.
3. Answer the questions.
4. Click **Submit**.

Why can't I change or delete a self assessment?

If you need to make a change to your self assessment response, contact your course instructor.
