

Respondus Lockdown Browser Student Guide

1. Go to Assessments and select Quizzes, and select a quick to take.

The screenshot shows the Respondus Lockdown Browser interface. At the top, there is a navigation bar with links: Course Home, Content, My Media, Assessments (highlighted with a red circle), Communication, and Resources. Below the navigation bar, a dropdown menu is open under 'Assessments', with 'Quizzes' highlighted (also circled in red). The main content area is titled 'Quiz List' and includes a 'Help' icon. Below the title is a table with two columns: 'Current Quizzes' and 'Attempts'.

Current Quizzes	Attempts
Getting to Know Quizzes ▼ Always Available	0 / unlimited
Ch. 5 Beautiful Day Key Terms Quiz ▼ Always Available	0 / 1

2. Select **download and install LockDown Browser** or **Launch LockDown Browser**

To minimize issues while taking a quiz, be sure that you do the following:

- **Clear your browser's cache** before starting a quiz.
- **Close any applications that are not necessary** for taking your quiz.
- **Open only one browser window** or session when taking a quiz.
- **Save each quiz response as you answer it.** Saving too many responses at the end might cause your quiz/computer to freeze and lose your answers.

If you experience a technical problem during a test, immediately call the D2L Help Center at 1-855-772-0423.
