MUSA 1222/1322 jury examination advises student in continuing in this major.

Area A courses must be finished withing 30 hours of beginning your degree.

This program map illustrates appropriate coursework for completing a degree within four years, provided that course grades allow for earned credit. Courses in areas B-E and Wellness should be interchanged as necessary to fit schedules and times of courses within the major.

Please consult with your advisor to determine when courses can be switched out with others and taken in a different semester or sequence than illustrated since not all courses are taught every semester. A Freshman Learning Community (FRLC 1116) or a First-Year Seminar (FYRS 1105) is required of all students entering either as new freshmen or with fewer than 30 hours of transferred credit, so please talk to your advisor about this requirement. This map is for illustrative purposes only and does not constitute a legal contract on the part of CSU since degree requirements or course offerings could change. As always, check with your advisor.
