Additional Notes:

- This program map illustrates appropriate coursework for completing a degree within four years, provided that course grades allow for earned credit. Please consult with your advisor to determine when courses can be switched out with others and taken in a different semester or sequence than illustrated since not all courses are taught every semester.

- A Freshman Learning Community (FRLC 1116) or a First-Year Seminar (FYRS 1105) is required of all students entering either as new freshmen or with fewer than 30 hours of transferred credit, so please talk to your advisor about this requirement. This map is for illustrative purposes only and does not constitute a legal contract on the part of CSU since degree requirements or course offerings could change. As always, check with your advisor.

- Students must complete "Area A " (ENGL 1101, ENGL 1102, and MATH 1***) prior to reaching 30 hours and earn a "C" or higher in all three courses.

- As of Fall 2013, all undergraduate students are required each semester to meet the 2.0 institutional GPA standard for satisfactory academic progress.

- All BFA Majors must earn a "C" or higher in all ARTS and ARTH courses.

- All BFA Majors must successfully pass milestone courses (ARTS 2000- Art Foundation: Portfolio Review and ARTS 3000- Pre-exhibit Review). Failure to complete either ARTS 2000 within two (2) attempts or ARTS 3000 within two (2) attempts will result in the student being removed from the BFA program.
